

Winter Reading Program 2023 for Adults

BOOK BINGO

January 16-March 31, 2023

The Patmos Library is excited to offer an opportunity for our adult readers to read and win prizes!

How It Works

Read or listen to five items that match the categories on the BINGO card on the back of this sheet between January 16 and March 31, 2023. Please use items that you have checked out at the Patmos Library.

List the items you have read or listened to on the back of this sheet. Once you have completed a line of BINGO, stop by the Circulation Desk for your completion prize. Continue reading and playing through March 31! Once you are done playing BINGO, turn in your card for a chance in the Grand Prize drawing.

Booklists are available at the library if you need book ideas. Please ask the librarians for suggestions as well. We love to talk books!
