**Mad Scientist Club:** Are you interested in science? Visit the library on the first Monday of each month to learn about science and conduct some fun experiments! Ages 4+.

**Story Time:** We'll get together to read three or four fun books, play exciting games, and make a craft to take home or display in the library! All ages are welcome!

**Kick-Off:** Drop by during our open hours to sign up for our summer reading program! Each child that registers will receive a bag with a coloring bookmark, sticker, calendar, and program brochure. Once registered, they also get a book of their choice. Enjoy free shaved ice in the parking lot, throw some water balloons, or play giant yard games!

**Moon Excavation:** Join us to dig up some mysterious items from our moon. You get to take home whatever you find! Ages 4+.

**Aliens Creation Lab:** Turn yourself into an alien by making your own alien headband, or build an alien friend from craft supplies! All ages welcome.

**Space Magic with Mr. Jim:** Mr. Jim is back this year with some fun space magic! Join us to participate in a space magic show! Ages 2+.

**Big and Little Yoga:** Looking for a way to unwind while bonding with your child? Join us to learn some basic yoga to engage the body and mind. All ages welcome.

**DIY Planetarium:** Join us to build your own pocket planetarium and learn about different constellations! Ages 2+.

**Tie-Dye Time:** Bring your own white item to tie-dye! All other supplies will be provided! There will also be snacks and music.
