

# Cherry Blossom Wreath

# Cherry Blossom Wreath

\*Hot Glue Gun required\*

1. Using the flower template as a guide, cut six flowers out of white felt and six flowers out of pink felt
2. (OPTIONAL) Use a light pink marker to add detail to the white flower, and use a dark pink marker to add detail to the pink flower
3. Cut out circles of different colors to add to the center of the flower and glue on using a hot glue gun
4. Glue your flowers onto the circular green wire, alternating colors until you fill up the wreath
